1 Öğrenme çıktısı: E11.1.R2 — **20 puan**

Read the passage about digital startups.

> Digital platforms have democratized business creation. An entrepreneur with a laptop and an internet connection can now reach millions of global customers without owning physical storefronts or massive warehouses. This shift has enabled creative startups to compete with giant corporations.

State the main factor that has transformed business creation according to the author.

Cevap: The main factor is digital platforms and the internet, which allow entrepreneurs to reach global audiences directly with minimal physical infrastructure.

2 Öğrenme çıktısı: E11.1.R2 — **20 puan**

Read the short article about collaborative innovation.

> No single individual can master every aspect of a growing enterprise. Leading innovators consistently emphasize the importance of assembling diverse teams with complementary strengths in engineering, marketing, and design. A shared vision unites their specialized capabilities.

According to the passage, why is team diversity essential for the success of a new enterprise?

Cevap: Team diversity is essential because one person cannot master every field; combining complementary skills in engineering, marketing, and design enables the enterprise to overcome complex challenges.

3 Öğrenme çıktısı: E11.2.R1 — **15 puan**

Read the statements about historical inventors.

> Centuries ago, Leonardo da Vinci could envision flying machines long before the invention of modern aircraft, but engineers in his era were unable to construct lightweight engines to power them.

Extract the two contrasting expressions of ability and inability used in the passage.

Cevap: Expression of ability: ‘could envision’
Expression of inability: ‘were unable to construct’

4 Öğrenme çıktısı: E11.2.R2 — **15 puan**

Read the original sentence: 'Emre would rather prepare homemade meals than order fast food from restaurants.'
