c. celebration

3 — 15 puan

Sixth graders' favourite learning activity	Number of students
working in pairs	245
working in groups	310
working alone	120
reading aloud	180

Look at the chart quickly and answer the questions.

a. Which learning activity do most students like?

b. How many students like working alone? Write the number in words.

4

15 puan

Every year, the sixth graders visit the science centre in our city. Students join workshops and learn about planets in the planetarium. My favourite place is the observation tower because you can see all of the city from it.

Read the text carefully. Why is the observation tower the writer's favourite place? What can students do at the science centre?

5

10 puan
