**ÖĞRENCİLERİN DİKKATİNE**

1. Bu sınav kâğıdında **6 soru** bulunmaktadır ve sınav süresi **40 dakikadır.** Cevaplarınızı her sorunun altında bırakılan boşluğa, okunaklı bir şekilde yazınız.
2. Sınav 100 (yüz) tam puan üzerinden değerlendirilecektir. 1 ve 2. sorular 20 puan; 3, 4, 5 ve 6. sorular 15 puan değerindedir.

## 1. SORU

E8.5.R1 · hatırlama **(20 puan)**

Examine the chart comparing the Internet habits of children, teens and adults below, and answer the questions about the main idea.

| INTERNET HABITS BY AGE GROUP — SUMMARY CHART | | |
|---|---|---|
| 1. Children | 2. Teenagers | 3. Adults |
| Play online games, watch videos & do homework | Express themselves, do research & learn new languages | Read newspapers, pay the bills & do shopping |

a) What is the main idea of this three-group chart?

b) How do adults' main Internet habits differ from children's habits?

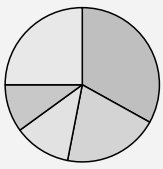

**Cevap: a) Different age groups (children, teens and adults) use the Internet for different purposes. (10 points)**

**b) Children mainly play online games and watch videos, whereas adults read online newspapers and pay the bills. (10 points)**

## 2. SORU

E8.5.R1 · kavrama **(20 puan)**

Look at the survey diagram of people's daily Internet habits below and answer the questions.

WHAT DO PEOPLE DO ON THE NET? (SURVEY RESULTS)

- Spend time on social media: 33% | Text messages: 20%
- Do online shopping: 12% | Watch videos: 10%
- Do research: 8% | Download apps: 7% | Send e-mails: 6%

a) What is the main conclusion about how people spend most of their time on the Net?

b) Which two activities together make up more than half (53 percent) of all Internet use?

**Cevap: a) People mostly use the Internet for communication and social interaction rather than sending e-mails. (10 points)**

**b) Spending time on social media (33 percent) and texting messages (20 percent) make up 53 percent. (10 points)**

## 3. SORU

E8.5.R1 · uygulama **(15 puan)**

Read Sally's blog post: "I spend an hour on the Net every day. I sign in to websites, upload music, surf the Net, read magazines and do research. I also chat with my friends on social media. Using the Internet is fun, but we should be careful because sitting in front of the screen all day is bad for our health." Answer below.

a) What is the main topic of Sally's blog post?

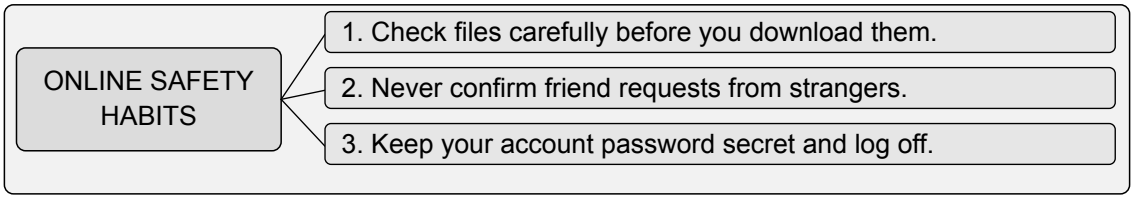

b) What warning does Sally give at the end of her paragraph?

**Cevap: a) It is about Sally's daily Internet habits and using the Internet in a balanced way. (8 points)**

**b) She warns that spending too much time sitting in front of the screen all day is bad for our health. (7 points)**

**4. SORU** E8.5.R1 · analiz **(15 puan)**

Examine the concept map below and answer the questions about its main message.

a) What is the main purpose of the three rules in this concept map?

b) Why shouldn't Internet users confirm friend requests from strangers?

**Cevap: a) Its main purpose is to explain how to stay safe and protect our accounts on the Internet. (8 points)**

**b) Because strangers can be dangerous and we should protect our personal information online. (7 points)**

**5. SORU** E8.5.R1 · değerlendirme **(15 puan)**

Read the summary: "Susan's grandma wants to send Susan a childhood photo. She doesn't know how to send an e-mail, so Susan teaches her step by step on the phone: check the Internet connection, open the photo app, click the share icon and choose Susan's name. Grandma sends the photo easily." Answer below.

a) What is the dialogue between Susan and her grandma mainly about?

b) Why does Susan call her grandma "a quick learner" at the end?

**Cevap: a) It is mainly about helping an older family member share a photo using a smartphone application. (8 points)**

**b) Because her grandma follows the steps quickly and sends the childhood photo on her first try. (7 points)**

**6. SORU** E8.5.R1 · yaratma **(15 puan)**

Read the school club board comparing Online World and Real World habits below and answer the questions.

REAL WORLD VS ONLINE WORLD — STUDENT HABITS BOARD

- Canan (Online World): pays the bills online, reads e-books and travels virtually.
- Bora (Real World): plays board games, reads paper books and meets friends.
- Club Advice: Use the Internet for useful tasks, but keep real-life hobbies too!

a) What is the main difference between Canan's habits and Bora's habits on the board?

b) Write one sentence stating why balancing online activities with real-world activities is important.

**Cevap: a) Canan prefers doing activities online (e-books, paying bills), while Bora prefers real-world activities (board games, face-to-face chat). (8 points)**

**b) Balancing both worlds lets us save time with technology while keeping strong real-life friendships. (7 points)**

| SORU | 1 | 2 | 3 | 4 | 5 | 6 | TOPLAM |
|---|---|---|---|---|---|---|---|
| PUAN | 20 | 20 | 15 | 15 | 15 | 15 | 100 |
