1. Bu sınav kâğıdında **6 soru** bulunmaktadır ve sınav süresi **40 dakikadır.** Cevaplarınızı her sorunun altında bırakılan boşluğa, okunaklı bir şekilde yazınız.
2. Sınav 100 (yüz) tam puan üzerinden değerlendirilecektir. 1 ve 2. sorular 20 puan; 3, 4, 5 ve 6. sorular 15 puan değerindedir.

1 Öğrenme çıktısı: E11.1.R1 — **20 puan**

Read the excerpts from two CV summaries.

> Candidate A: 5 years in digital marketing, expert in social media management, excellent interpersonal skills.
> Candidate B: 4 years in software development, specializes in Python and AI algorithms, strong problem-solving skills.

Which candidate should be invited for an interview for the position of 'AI Software Architect'? Give your reason.

Cevap: Candidate B should be invited.

Reason: Candidate B has specialized experience in Python and AI algorithms with problem-solving skills directly required for an AI Software Architect, whereas Candidate A is in marketing.

2 Öğrenme çıktısı: E11.1.R2 — **20 puan**

Read the text below about successful careers.

> Success in tech entrepreneurship rarely happens overnight. Most founders encounter numerous failures before achieving breakthrough results. What sets successful entrepreneurs apart is resilience—the ability to learn from errors, adapt their strategy, and continue pursuing their vision.

Summarize the key characteristic of successful entrepreneurs emphasized in the passage.

Cevap: The key characteristic emphasized is resilience—persevering through setbacks, learning from mistakes, and adapting strategies to achieve long-term success.

3 Öğrenme çıktısı: E11.1.W1 — **15 puan**

You are preparing a brief section titled 'Relevant Skills' for your CV.

Write three distinct bullet points describing your language proficiency, computer skills, and teamwork experience in professional CV style.

Cevap: • Language: Fluent in Turkish (native) and Advanced English (CEFR B2/C1).
• Computer Skills: Proficient in Microsoft Office suite, basic HTML/CSS, and Python programming.
• Teamwork: Successfully collaborated with a 5-member team to deliver high school science fair exhibitions.

4 Öğrenme çıktısı: E11.2.R1 — **15 puan**

Read the story of an athlete overcoming difficulty.

During the mountain race yesterday, the storm made visibility near zero. Despite the freezing winds, Kerem managed to reach the summit camp safely before nightfall.

Why is 'managed to reach' used instead of 'could reach' in this specific situation? Explain the difference in meaning.

Cevap: 'Managed to' (or 'was able to') is used for a specific, difficult achievement on a single past occasion that required effort under harsh conditions.
'Could' generally denotes general past ability rather than the successful completion of a specific difficult task.

5 Öğrenme çıktısı: E11.2.R2 — **15 puan**

Read the statement: 'Selin likes acoustic music much more than electronic dance tracks.'

Rewrite Selin's musical preference using the construction 'prefer ... to ...'.

Cevap: Paraphrase: 'Selin prefers acoustic music to electronic dance tracks.'

6 Öğrenme çıktısı: E11.2.W1 — **15 puan**

You are introducing yourself to an extracurricular school club.

Write a short paragraph mentioning two sports or artistic activities you are skilled at and one new ability you wish to acquire this term.

Cevap: Sample response: 'I am particularly skilled at playing volleyball and acoustic guitar, both of which keep me active and creative. Participating in school tournaments has also improved my communication within a team. This term, I would love to learn digital 3D animation to combine my artistic passion with technology.'
