1 — 20 puan

Read the excerpts from two CV summaries.

> Candidate A: 5 years in digital marketing, expert in social media management, excellent interpersonal skills.
> Candidate B: 4 years in software development, specializes in Python and AI algorithms, strong problem-solving skills.

Which candidate should be invited for an interview for the position of 'AI Software Architect'? Give your reason.

2 — 20 puan

Read the text below about successful careers.

> Success in tech entrepreneurship rarely happens overnight. Most founders encounter numerous failures before achieving breakthrough results. What sets successful entrepreneurs apart is resilience—the ability to learn from errors, adapt their strategy, and continue pursuing their vision.

Summarize the key characteristic of successful entrepreneurs emphasized in the passage.

3 — 15 puan

You are preparing a brief section titled 'Relevant Skills' for your CV.

Write three distinct bullet points describing your language proficiency, computer skills, and teamwork experience in professional CV style.

4 — 15 puan

Read the story of an athlete overcoming difficulty.

During the mountain race yesterday, the storm made visibility near zero. Despite the freezing winds, Kerem managed to reach the summit camp safely before nightfall.

Why is 'managed to reach' used instead of 'could reach' in this specific situation? Explain the difference in meaning.

5 — 15 puan

Read the statement: 'Selin likes acoustic music much more than electronic dance tracks.'

Rewrite Selin's musical preference using the construction 'prefer ... to ...'.

6 — 15 puan

You are introducing yourself to an extracurricular school club.

Write a short paragraph mentioning two sports or artistic activities you are skilled at and one new ability you wish to acquire this term.
