ÖĞRENCİLERİN DİKKATİNE

1. Bu sınav kâğıdında **8 soru** bulunmaktadır ve sınav süresi **40 dakikadır.** Cevaplarınızı her sorunun altında bırakılan boşluğa, okunaklı bir şekilde yazınız.
2. Sınav 100 (yüz) tam puan üzerinden değerlendirilecektir. 1, 2, 3 ve 4. sorular 15 puan; 5, 6, 7 ve 8. sorular 10 puan değerindedir.

1 — 15 puan

My grandmother is short and plump with fair hair. She is generous; she cooks for all the neighbours. My grandfather is tall and honest, so the people in our village trust him.

Read the text and answer the questions.

a. What does the grandmother look like?

b. Why is she generous?

c. Why do people trust the grandfather?

2 — 15 puan

Write a short text (4 sentences) for the school magazine about a classmate's healthy habits. Use always, usually, often, never.

3 — 15 puan

SCHOOL HISTORY

Cumhuriyet Secondary School opened in 1965 with only three classrooms. In 1998, the students moved to the new building. The school won a gold medal in a science competition in 2010. Our first headmaster, Mr. Taş, retired in 1990.

Read the notice. When did the school open? Who retired in 1990? What happened in 2010?

4 — 15 puan

be born • grow up • get married • move • work

Write four sentences about the life of your grandmother or grandfather. Use at least four of the verbs in the box in the past form.

5 — 10 puan

The northern bald ibis is an endangered bird. In the past, thousands lived near Birecik, but people made new farmlands and the birds lost their habitat. Today, people protect them at a centre and they fly free every spring.

Read the text. Why did the birds lose their habitat? What do people do today?

6 — 10 puan

CITY ZOO GUIDE

In the north area, you can see lions and tigers. The lake is home to storks and seagulls. The reptile house has snakes and crocodiles. Don't miss the giraffes near the exit!

Read the guide. Which animals live at the lake, in the reptile house and near the exit?

7 — 10 puan

Write four sentences comparing a crocodile and a dolphin: type (reptile/mammal), habitat, food and one difference.

8 — 10 puan

Last night, I watched a quiz show on Channel 5. Two students answered science questions. The winner got a laptop. After that, I watched a documentary about whales, and then I went to bed at 10 p.m.

Read the text. What did the writer watch last night? What did the winner of the quiz show get?
