Every evening · Checks school emails

Parents (5 hrs/wk)

Via Wi-Fi laptop · Reads daily news

(A) Who uses the Internet most in the family?

(B) How much does their monthly Internet bill cost?

(C) For what purpose does Bora go online?

(D) How often does Selin check her emails?

10 SIRALAMA

Put the phone conversation in the visual into the correct chronological order from 1 to 4.

1. Greeting

This is Kevin...

May I speak to...?

SEQUENCING A PHONE CONVERSATION

2. Checking

Hang on a minute · Not available now

3. Offering

Would you like to leave a message?

4. Leaving Note

Tell him to call me back, thanks!

[3] Secretary: Would you like to leave a message for him?

[4] Caller: Yes, please tell him to call me back at 555-0192. Thank you!

[1] Caller: Hello, this is Kevin calling. May I speak to Dr. Carter, please?

[2] Secretary: Hang on a minute, I'll check. I'm sorry, he isn't available now.

11 KISA CEVAP

Look at the 112 Emergency Operator card in the visual and write **two key details** the caller must give immediately.

112 EMERGENCY SERVICE CALL PROTOCOL

Operator's Question

«112 Emergency. What is your emergency?»

Stay calm and speak clearly!

Required Caller Details

1) Type: Fire / Car Accident / Medical

2) Location: Exact street & building address

The caller must state the type of emergency (fire/accident) and give the exact address.

12 AÇIK UÇLU · DÜŞÜN

Look at the Online Safety banner in the visual and write two rules for safe Internet habits in English.

Strong Passwords

Keep secret! · Never share online

SAFE INTERNET HABITS (UNIT 5 GUIDE)

Public Computers

Always LOG OUT after finishing work

Unknown Files

Don't download suspicious attachments

We shouldn't share personal passwords with strangers, and we must log out on public computers.
